

# Community *wellness* Seminar

October 2012

## *Maintaining Facial Beauty As You Age*

**Monday, October 22, 2012**  
**3:00 – 4:30 pm**

The Regency  
24441 Calle Sonora  
Laguna Woods, CA 92637

*Please join us for a seminar about how our faces change with age, and new medical strategies that can help keep us looking younger.*

**Dr. Yeh will review a variety of in-office, non-surgical and minimally invasive surgical treatment options for the aging face. Topics include:**

- Understanding the normal aging process of the face.
- What are Botox, injectables and facial fillers, and are they right for me?
- Impressive facial rejuvenation results created by the latest surgical techniques.

Dr. Cory Yeh,  
a board-certified surgeon  
who specializes in Facial Plastic  
and Reconstructive Surgery
